

November 2012

Dear College and University Representatives,

I would like to invite you to audition our Florida Thespians at the Florida State Thespian festival which will be held in Tampa, March 14-17, 2012.

Because our festival is held in March and most, if not all, of our seniors have already committed to a college, we invite you to see our junior students. Auditions will be held on Thursday, March 15th from 8:00am until approximately 3:00pm. You will be notified of the location in Tampa in a mailing in February. All students have been screened to meet the minimum requirements you have requested. We also strongly encourage minority and technical students to audition. A call-back board will be used to communicate with those students you would like to further interview and time will be set aside on Friday for that purpose.

If you register with us, you will receive a table in the vendor area of the ballroom to display your college on Friday and Saturday. You will also receive an advertisement space in our program, on-line and in print. You will find the form to place an ad at www.flthespian.com, "College Reps" tab on left and then click on the ad form.

For more information about our festival and all you need to register as a college representative go to www.flthespian.com. Follow the link on the first page to "College Reps." Complete the application, print it for your records then mail, FAX, or e-mail it to me.

Many of you also offer workshops and adjudicate for us. Although I do ask you to make these auditions a priority, if you are interested you are also welcome to complete the Workshop/Adjudicator Application that can also be found on that website.

The deadline to receive all of your material is December 14, 2011.

I look forward to receiving all your material by web, e-mail, FAX, post, or by any other form. I also look forward to working with you at our festival!

We are offering you the best of Florida's future!

Sincerely,

Daron Hawkins
Director, Florida State Thespians
