FESTIVAL 2012
Backstage in Morsani Tour Form**

We will once again offer a special backstage tour of Morsani Theatre in the Straz Center for the Performing Arts on Saturday morning, March 17, 2012. This tour will be specially geared to students who may be interested in pursuing a career in technical theatre or who are just interested in seeing how things work back stage. Each 90 minute tour, conducted by professional crew members, will be divided into three parts: lights, sound, and backstage/deck. Space will be limited to no more than three members from each participating troupe. To register for this opportunity, complete the form below, print it, and send it in with your registration documents.
